

## KEN GILFORD – VEEAM

### Senior Territory Manager – SADC

I started in the IT industry over 25 years ago doing IT support, building PC's and networking. Driven by my love of technology has resulted in working with numerous business [SMB-Enterprise] in various sectors across Africa.

Extensive experience in helping businesses become more innovative when implementing and leveraging IT. Understanding new challenges that organizations encounter, has become crucial to a comprehensive Data Management strategy.

#### About Veeam:

Veeam® is the leader in backup, recovery and data management solutions that deliver Modern Data Protection. The company provides a single platform for Cloud, Virtual, Physical, SaaS and Kubernetes environments. Veeam customers are confident their apps and data are protected from ransomware, disaster and harmful actors and always available with the most simple, flexible, reliable and powerful platform in the industry.

Veeam protects over 400,000 customers worldwide, including 81% of the Fortune 500 and 70% of the Global 2,000. Veeam's global ecosystem includes 35,000+ technology partners, resellers and service providers, and alliance partners and has offices in more than 30 countries.
